

# INTERCLUB FISHING COMPETITION 2018

The annual Interclub Fishing Competition was held on the Queen's Birthday weekend and this year was hosted by the Boat Club Fishing and Social Club.

Fishing conditions were good on Friday and Saturday morning when a lot of fish were caught, but strong winds from Saturday afternoon and storms on Sunday made fishing difficult for our competitors, especially those in Tin Can Bay.

After the weigh in over 120 members of the six clubs enjoyed lunch, and then attended the presentation in the Boat Club Fraser Room. Rod and reel combos and Fisherman's Bucket List books were awarded for the best of each species thanks to sponsor Filho's Tackle World. The Interclub Shield was presented to the River Heads Fishing Club

## INTERCLUB SHIELD RESULTS

COMPETING CLUB:	POINTS:
